Angels at Bat Branch
Expectations Document

Name: _____   Age: _____

Phone: (___)_____   Email: _____

Address: _____

City/State: _____, _____   Zip Code: _____

_____ Checking on this line gives Angels at Bat your consent to give your (or a willing parent) contact information to a person wanting to donate. This allows people to contact you directly about how to donate to you in your area.

What does it take to run an Angels at Bat branch?
You would be responsible for…
- Attempting to find ways to gather equipment in your area (contacting coaches/teams, notifying leagues, notable baseball people in your area, etc.).
- Picking up and receiving equipment in the area from people wishing to donate -- you will likely receive a call/text/email saying someone wants to donate and you would have to organize a way to get the equipment.
- Keeping a record of what equipment you have and what you have sent to us/Africa. This is done through "Google Sheets" so it is best if you have a Google email. (Please list Google email above in the personal information area of this page)
- Writing the number "20" on balls, gloves, and helmets in honor of TW.
- Keeping Angels at Bat informed on your branch's growth and connections
- Storing equipment donated to you until we are able to organize a way to get the equipment to Green Bay or to Africa. Once you are (over)filled with equipment, let us know and we will organize a way to pick it up.
- Representing Angels at Bat with pride and helping to grow the charity.

I, _____, confirm that I would like to have a branch of Angels at Bat in my area. I have also read the "What does it take…" section and confirm that I believe I can meet these expectations. Please contact us if you want to ask us something!
